INTERNSHIP REPORT

DATE : 16.12.2020

Name of the student : (Attached)

Department : AERONAUTICAL ENGINEERING

Year / Sem : IV/VII

Name of the Company : Manek Industries

Duration of Internship : 1.12.2020-14.12.2020

Reporting Authority

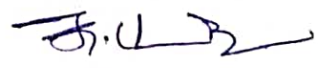

Name : Harshil.R,

Designation : Proprietor

Phone No : Ph:0427-4264677 (M):+91-9600301991

Detailed Report

1. Organization information: Attached
2. Location : Salem
3. Type of Industry : Manufacturing Sector
4. Major Products manufactured by the company:
Manufacturer of colored granules and speciality chemicals.
5. Details of the work responsibilities during the internship: Quality Control & Chemical Coating Shop Supervision.
6. Details of the division the student has worked: Quality Control & Surface Coating
7. Name of the modules completed by the student: Production
8. Skills learned and experienced by the student: Quality Check & Surface Coating Methodology.

We, the final year students of Aeronautical Engineering branch undergone Internship at M/s Manek Industries, Salem. Our students were involved in quality control measures and coating division ensures of the component. During the internship training we learned technical skill towards production methodology on granules manufacturing and surface coating methods. The training gives more knowledge on production and surface engineering concepts. Also this experience will help to understand about future development and necessary skills for other industry requirements.
