This is to inform that we have used Safe Lib (Safe Tech) software for Library till Sep 2020. From Oct 2020 We have moved to vmedulife -Learning Management System (LMS), since Safe Lib do not have enhanced features. Due to COVID -19, pandemic situation, the classes were through the online mode only. The college reopened in physical mode from November 2021. So we enclosed the footfall and online access for five days in the month of December 2021.
