Academic Planning

- Course Management
- Syllabus Management
- Session Management

Course Management

Create different courses and assign it to the respective instructors. You may create both theoretical and practical courses along with electives. Easily assign the electives subject to selected learners. In case of shared courses, assign multiple instructors to one course.

Syllabus Management

Easily maintain the syllabus for the courses along with the subtopics. Divide them as per the learning hours. Link with course outcomes and unit outcomes. Once the syllabus added, it will automatically generate the session plan based on hours given to each topic.

Session Management

Generate weekly, monthly, semester, and yearly session plans. Set dates, the attendance, and assignments. Assign resources, form indicators for progress, add notes. Generate session plan for the current semester and convert course, grade, semester, and session plans into PDF format.

Frequently Asked Questions

Importance of digital academic planning

Online Academic Planning is a better way of planning. It is a digital platform where you can create, manage, and share your academic planning. It is a digital platform where you can create, manage, and share your academic planning. It is a digital platform where you can create, manage, and share your academic planning.

How it works?

Once you login into the vmeduife platform, you may plan your academic activities by adding the courses and assigning them to the concerned instructors. Then the course will be assigned to the concerned instructors. It will automatically reflect in the vmeduife account as an active or HOD. And may create the timetable and the sessions will be automatically created. Then other instructors may start their regular activities.

Student Admission

Welcome to M.A.M. School of Engineering Admission

vmedufile.com/modules/admission/#/

MAMSOE

Quick Steps to Start

1. Configure Admission Type, Admission Status, Admission Category and Eligibility in Admission - Setting tab
2. Add groups / semesters from Admission - Grouped tab
3. Import students from Admission - Registered Students - Import
4. Download Prerequisite CSV file which includes values for Year of Admission, Admission Type, Admission Number Series, CEN, Series Category, Payment Category, Blood Group, Gender, Religion Status and Admission Status which will be used for reference to import students.
5. Download Sample Students CSV. Add your students and import to respective academic year, departments and group in semester after importing the CSV. Imported student list can be viewed in Registered Students tab.
6. After importing the CSV, imported student list can be viewed in Registered Students tab.

Salient Features of Admission

Enquiry Generation
Generate form for collecting enquiries related to admission. Admission forms are fully customizable. You can add your own required fields.

Manage Enquiries
Set custom status for the admission form enquiries. Assign the enrolment to the respective status. Grant access to a specific user for modifying the status enrolments.

Register as a Student
Once you confirm any enquiry, you can register any enquiry as a student within few clicks.

Academic Year wise Intake
Here, we have provided an option to maintain the intake quantity as per the academic year of the institute for the respective department.

Group Management
Create groups for the selected students as per semester/year of the institute. Assign groups to the parent group for managing year-wise data.

Admission Form

The screenshot shows the MAMSOE web application interface. The main menu on the left includes options like Home, Enquiry, Admission, and Student Support. The central area displays the 'Enquiry / Admission Form' section. A table lists existing forms with columns for S.No, Name, Form Title, Form Status, Form Series Number, and Academic Year. An 'Add Form' modal is open, prompting the user to enter the following details:

- Name*
- Description*
- Category*
- Academic Year*
- Document

Buttons for 'Add' and 'Cancel' are visible at the bottom of the modal.

Student Support

Student Home page

The screenshot shows the MAMSOE Student Home page. The header includes the MAMSOE logo and navigation links. The main content area displays the following sections:

- User Profile:** Sesuraja T, Contact Information, Email: sesuraja77@gmail.com, Phone: 9344777901.
- Quick Links:**
 - Institute Link
 - e-Governance
 - Alumni
 - Academic Planning
- Today's Birthday:** A section for celebrating birthdays.
- Upcoming Events:** A section for upcoming events, featuring a colorful graphic of people dancing.

Online Exam Details

Use of Online Exam Platform

- To conduct continuous assessment examination with automatic score policy
- To prepare students for competitive examinations from day first
- To transform institute in digital one
- To remove fear of online exam and practice of MOC a few year prior to sustain in competitive world
- To support in Green Campus initiative and contribute for greener nation
- To ensure authentic logical reasoning for students
- To identify weak students / academic progress

How it is connected with android app?

vmeduLife Android App is available for both students and faculties. As a faculty, you can view the online exam advertisement from android app in live mode. Students can view exam marks from android application. Online exam will be soon available soon on android App and you as a faculty will be having rights to decide exam even access on android application.

How students can view result?

Students can view result from vmeduLife Android App and from web portal too.

Can students check their performance with correct/incorrect answers and explanation?

Students can easily check the performance from the web dashboard. Students can check the complete answer sheet with correct/incorrect answer and detailed explanation for every question.

M.A.M. SCHOOL OF ENGINEERING

Basic Information

Mother Name	-	Father Name	-	City	TRICHY
Date of Birth	04-06-1987	Marital Status	-	Employee Code	-
Highest Qualification	M.E. CSE	Pincode	621105		
State	TAMIL NADU	Address	SIRUGANUR		

Qualification

1.	Course	COMPUTER SCIENCE	University	ANNA UNIVERSITY COIMBATORE
	Qualification	Post-Graduation	Status	Completed
	Institute	JAYAM COLLEGE OF ENGINEERING, DHARMAPURI	Completion Date	25 Nov, 2011

Professional Experience

1.	Designation	ASSISTANT PROFESSOR	Experience Status	PreviouslyWorking
	Department	COMPUTER SCIENCE AND ENGINEERING	Joining Date	01 Jun, 2012
	Last Working Date	22 May, 2019	Key Areas of Expertise	C, C++, JAVA, SQL, DBMS, INTERNET PROGRAMMING, HTML, PHOTOSHOP

Academic Planning

Academic Planning

Course Management

Create different courses and assign it to the respective instructors. You may create both theoretical and practical courses along with electives. Easily assign the elective subject to selected learners. In case of shared courses, assign multiple instructors to one course.

Syllabus Management

Easily maintain the syllabus for the courses along with the subtopics. Divide them as per the teaching hours. Link with course outcomes and unit outcomes. Once the syllabus added, it will automatically generate the session plan based on hours given to each topic.

Session Management

Generate weekly, monthly session plan within a few clicks. Set rules for effective implementation. Manage requests from instructors for session updates. Transfer session on the fly. Confirm session and conduct classes online. Generate multiple reports as per your need.

Frequently Asked Questions

Importance of digital academic planning

Online Academic Planning contains information regarding proposed plan, completion details, gap analysis, teaching aids/methodologies linked with students' attendance of sessions. It will be stored in online mode for minimum five years of duration. It will help you to get previous minimum five years of data in one report. As per our experience of digital planning since the last five years, it has been proved beneficial for those institutes using this facility on regular basis. Now they have all previous year's data available within clicks in ready to print format. If you are publishing your subject planning at start of academic year, then students can easily access the planning and plan their study accordingly. It is beneficial especially for those students who are preparing for competitive examinations to plan the study in advance.

How it works?

Once any institute opts for vmedulife platform implementation, they may start their academic activities by adding the courses and assigning them to the concerned instructor. Once the course will be assigned to any instructor, it will automatically reflect in their vmedulife account. As an admin or HOD, one may create the timetable and the sessions will be automatically created. Then after instructors may start their regular activities.

Student Admission

Welcome to M.A.M. School of Engineering | Admission

vmedulife.com/modules/admission/#/

MAMSOE | Sign Out

Quick Steps to Start

- Configure** Admission Type, Admission Status, Admission Category and Religion from Admission -> Setting tab.
- Add groups / semesters** from Admission -> Group tab.
- Import student list from Admission -> Registered Students -> Import.
- Download Prerequisite CSV** file which includes values for Year of Admission, Admission Type, Admission Number Series, GRN Series, Category, Payment Category, Blood Group, Gender, Religion, Status and Admission Status which will be used for reference to import students.
- Download Sample Student CSV.** Add your students and import to respective academic year, department and group / semester. After importing the CSV, imported student list can be viewed in Registered Students tab.
- After importing the CSV, imported student list can be viewed in Registered Students tab.

Salient Features of Admission

Enquiry Generation
Generate form for collecting enquiries related to admission. Admission forms are fully customizable. You can add your own required fields.

Manage Enquiries
Set custom status for the admission form enquiries. Assign the approvers to the respective status. Grant access to a specific user for modifying the status approvers.

Register as a Student
Once you confirm any enquiry, you can register any enquiry as a student within few clicks.

Academic Year-wise Intake
Here, we have provided an option to maintain the intake quantity as per the academic year of the Institute for the respective department.

Group Management
Create groups for the selected students as per semesters/year of the institute. Assign groups to the parent group for managing year-wise data.

E - Grievance

The screenshot displays the MAMSOE e-Grievance Portal interface. The browser address bar shows the URL `vmedulife.com/modules/grievance/#/`. The page header includes the MAMSOE logo and a 'Sign Out' button. The main content area is titled 'Salient Features of e-Grievance' and features two primary buttons: 'Raise & View e-Grievances' and 'e-Grievance Redressal Cell'. Below these, a section titled 'Raise & Followup your Grievances' explains that users can easily raise grievances from their vmedulife account and check their status. To the right, a diagram illustrates a workflow with a central box containing a plus sign, connected by dashed lines to three surrounding boxes. Further down, a section titled 'Easy Grievance Management for Grievance Cell Members' describes a user-friendly panel for managing organization stakeholders' grievances. The bottom of the page includes a footer with links for 'Download App', 'Privacy Policy', and 'Terms of Use', along with a 'Powered by vmedulife' notice. The Windows taskbar at the bottom shows the system time as 1:04 PM on 8/25/2022.

Online Exam Details

Use of Online Exam Platform

- To conduct continuous assessment examination with automated reports facility
- To prepare students for competitive examinations from day first
- To transform institute in digital one
- To remove fear of online exam and practice of MCQ's from first year to sustain in competitive world
- To support in Green Campus Initiative and contribute for greener nation
- To prepare aptitudellogical reasoning for students
- To identify slow learners / advanced learners

How it is connected with android app?

vmedulife Android App is available for both students and faculties. As a faculty, you can view the online exam attendance from android app in live mode. Students can view exam marks from android application. Online exam will be soon available soon on Android App and you as a faculty will be having rights to decide exam access on android application.

How students can view result ?

Students can view result from vmedulife Android App and from web portal too.

Can students check own performance with correct/incorrect answers and explanation?

Students can easily check the performance from the web dashboard. Students can check the complete answer sheet with correct/incorrect answer and detailed explanation for every question.
