## ANNUAL E-GOVERNANCE REPORT

2016-17

(Presented for Approval of Governing Council)

1. Prezenta has completed yearly maintenance to help users of ERP software more effectively.
2. To keep in touch with parents, students, and staff, the SMS function has been used to its fullest capacity. This allows for the notification of absences, academic performance, holidays, and other necessary information. Services from Prezenta are utilized for sending mass SMS to faculty and employees.
3. The college office's accounting software was upgraded with a new version of Tally Business Solutions.
4. Due to the expansion of the analyzing capacity and the speedier feedback, the task has been made simpler by the uploading of all evaluation marks in Prezenta.
5. The website is fully utilized as a crucial data source for all parties involved, and all significant messages and circular notifications are made accessible on the website to assure that those in need of data always have access to it.
